SUMMER TERM 2009

2nd May - Clay Time

Come and learn to make pots and other unique ornaments to take home at the end of the session.

9th May - Glove Puppets

Make your own glove puppets - comical, fun and great to play with.

16th May - Dinosaur Day

Invent your own 3D monsters and dinosaurs, friendly or fierce!

————— HALF TERM —————

6th June - Tropical Trees

Have fun making giant trees with foliage that only young explorers could find.

13th June - Mobiles

Join us to make eye catching creations to brighten your homes and gardens.

20th June - Owls

Come and create your own beautiful owls. Investigate different shapes to make printed pictures.

27th June - Musical instruments

Another popular and usually noisy day making musical instruments. Come and join the band!

4th July - Brooches and Badges

Ever wanted to stand out from the crowd... well now you can by wearing your own designer label.

11th July - Barge painting

Discover the art of roses and castles from the canals.

18th July - It ain't 'alf hot mum!

To celebrate the start of the summer holidays, it's time for sun visors and sand pictures.

Just drop-in and join-in! Projects are designed for ages 3-13yrs.

All children must be supervised. To get the most enjoyment from each session we recommend you arrive by 10.30am at the latest.
